Bob received a letter from Fr Fred Adamson regarding safety and security. Council member's suggested the following to address this topic:

VISION FOR THE FUTURE PLANNING 3-5 YEAR PLAN
Dan reached out to the Diocese and found there may be a 3 year plan involving a 5 step process. It could involve communication with parishioners. He will continue to follow up on what is available and look into references supporting such plans.

Fr. Mike reported August 2, 2022 will most likely be the date for the installation of our new Bishop, John Dolan at St. Thomas Acquinas.

UPDATES AND NEWS FROM:
Director of Family: Ryan received a positive response from one present advertiser and feels gaining additional ads will allow the magazine to be free.

Barry brought in a religious themed painting donated to the parish from the family of a former parishioner. Donations of items for the parish will be brought to Fr. Mike to confirm its use in the parish.

Fr. Mike commented that next year's calendar already has events scheduled. Fr. Mike will be absent a few days in July to attend primary and secondary school graduations. He accepted an invitation to accompany high school students from St. Isidore Parish in CA on a trip to Mexico.

Fr. Simon will be out during August. He shared with the group why he cannot visit his family in Nigeria. They told him it would be unsafe to visit them where they are located in Nigeria. This is because of the recent attack and death of Catholics attending Mass at a local parish and the kidnapping of 30 Christians attending a service at a Baptist church in that area. Fr. Simon will be considering various options for his time off in August.

New Business:
No new business. No council meeting in July. The next council meeting is August 15, 2022.
