

**Addendum to St. Bernard of Clairvaux Catholic Church Parish Pastoral Council –  
Articles of Guidance - Approved August 2022.**

This Addendum will serve to supersede the January 28, 2025 Addendum, modifying the duration of the Addendum, and the term of the current Parish Council President to facilitate an orderly transition as current Members term-out, and new members replace them.

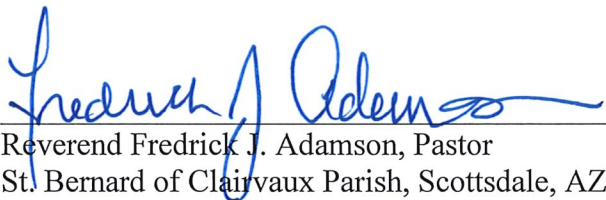

Our intent is to temporarily modify the maximum number of “Selected Members” referred to in the following provision in above referenced document, specifically Article IV – Membership / Selected Members / PP 2, which reads: “...There will be a minimum of seven (&) and a maximum of nine (9) selected members.

This modification is proposed to endure until June 30, 2027, pursuant to:

- a second provision in said document, specifically Article IV - Membership/ Member Terms / PP 3 / iv, which reads: “Terms will be staggered to appropriately manage the percent of member turn-over in any given year, in order to maintain sufficient continuity.”
- and a third provision in said document, specifically Article VI – Officers / #2. President / #3 Vice President, which discusses the process of succeeding an outgoing President. Accordingly, and in concert with preserving continuity during transition, the term of service of the current Council President will be extended to June 30, 2027.

The maximum number of “selected members” will be increased during the referenced period of this addendum to ten (10) members, to provide for the referenced continuity through June 2027.

This modification will take effect on May 18, 2026.
